

Mst Rokeya Reaz

1123 Berwick Valley Lane, Cary, NC, 27513
(813) 577-2013 — ripacsekhu@gmail.com
Portfolio — ResearchGate

Skills

Programming:

- Python, C, Java
- SQL

Research:

- Machine Learning
- Data mining

Publications:

- 151 Google Scholar citations
- 3+ Journals
- 5+ Conferences

Achievements

- Kyung Hee University President Award (2012–2014): This award supported the tuition fee of Kyung Hee University
- Merit Scholarship, Woojung Education & Culture Foundation (02/2013–07/2014): This competitive scholarship from Korea's well known industry was very selective for outstanding academic fit.
- Brain Korea (BK21) Plus Scholarship, Korean Government (03/2014–08/2014)

Graduate Coursework

- Data Mining
- Machine Learning
- Advanced Artificial Intelligence
- Pattern Recognition
- Network Security
- Cloud Computing
- Research Ethics

Education

Kyung Hee University, South Korea

Masters in Computer Engineering

GPA: 3.95/4.30

09/2012–08/2014

Dhaka International University, Bangladesh

B.Sc. in Computer Science & Engineering

GPA: 3.31/4.0

01/2009–09/2012

Research Experience

Research Assistant Kyung Hee University, South Korea
09/2012–08/2014

- Conducted research in machine learning, data mining, and bioinformatics
- Developed and validated hypotheses; implemented proof-of-concept systems
- Published findings in high-impact journals and international conferences

Professional Experience

Executive Officer, Procurement and Vendor Management (Tech)

Standard Chartered Bank, Bangladesh

09/2011–09/2012

- Analyzed data from enterprise databases to optimize procurement and vendor workflows
- Generated critical business reports supporting management decision-making

Officer, Reporting and Management Team (Loan Operations)

Standard Chartered Bank, Bangladesh

09/2011–09/2012

- Analyzed loan operations data from multiple sources
- Prepared management dashboards and operational performance reports

Selected Publications
